Strong Ethical values and Ecological ideals are Naturveda's guidelines:

**Naturveda is an official member of WFTO since 2007 and is now the FIRST PRODUCER OF NATURAL INCENSE TO BE CERTIFIED ICEA**

This certification can be extended to Companies who sell Naturveda's products through their own brand and wish to follow the same eco-sustainable and social values.

## About Us

Based in *Pondicherry*, a charming former French colony on the South Eastern coast of India, Naturveda is an all encompassing reality able to provide various services from wholesale to customized collections for companies who wish to sell with their own brand.

From developing personalized formulas to designing, printing and packing, Naturveda's international team works together with dedication since 1994 to meet the needs of a global market.

A high quality standard and a constant research towards improvement, have caught the attention of various successful distributors worldwide who have established a solid and regular relationship with Naturveda.
